Ladies and Gentlemen:

I am writing to let you know that I am always happy with the service I receive from Air Temp. Things went well in 2016 when I became a new customer, and this year is no exception.

I was pleased to hear that the "health" of my central air conditioning system is good, but the best part of the Air Temp visit was the two people I met on August 10. Patrick and Marie were very kind and helpful to me. They treated me with respect and were eager to answer all my questions. I really look forward to seeing Patrick and Marie again when it is time to examine my AC system next year.

I also wish to thank Leah Margelony for her help and kindness whenever I call Air Temp to make an appointment and/or ask questions. Doing business with Air Temp is always a pleasure!

Sincerely yours,

Richard Daloe
